WIDMER PERFORATORS

P-400 SERIES

**Now you can choose from 5 standard models
or the custom P-400-U model**

WIDMER's Model P-400 Series are uniquely designed as an economically priced, heavy duty table top perforator that is both compact and portable. Operation is easy and safe. The extra long handle provides a smooth, single cutting action.

This secure method of punching holes in documents permanently cancels or validates 8 to 10 copies of multiple documents simultaneously.

The Model P-400-U perforator is unique in that most any 5-7 character word can be custom installed. The P-400-U provides almost limitless applications to fulfill your needs.
