

The Intimus® PacMaster is economical and reliable. It converts empty corrugated boxes into free large-volume filler material suitable for packing even sensitive goods for transport. The working surface has standard size guides marked on it so that accurate cutting is guaranteed. A lockable main switch also acts as an emergency stop when needed. Rotary knobs control On/Off and reverse functions. The built-in cutter allows you to cut your boxes down to size the size needed. With one pass of the corrugated, the excess is trimmed off and the packaging material is formed. It saves time, money, and easy to use.

- Lockable main switch also acts as an emergency stop
- Rotary knobs control On/Off and reverse functions
- Built-in cutter to cut your boxes down to size

### Technical Data

Shred Size	5/32" x 4 3/8"
Shred Type	Grid-cut
Capacity	(2) 2-ply boxes
Speed	35.4 ft. per minute
Cutter Feed Width	16 3/4"
Cutter Feed Height	13/16"
Power Supply	220V / 3 Phase
Width (in)	27.25"
Depth (in)	18.75"
Height (in)	39"
Weight (lb)	309 lbs.
