

Staplex®

S-620NFS Special Foot Switch Activated Double Header Electric Stapler

now with "pop-out" loading!

Made in U.S.A.

- Drives 2 staples at once at the tap of an electronic footswitch for fast, neat, uniform stapling!
- Especially designed for header cards (3.5" [8.9 cm] wide and larger) stapled ¾" [1.9cm] or closer to the bottom of the card – Cuts stapling time in half — a Staplex exclusive!
- Protruding stapling heads and special cut-aways allow operator quickly and easily to position the header card when inserting
- Can staple small header cards (minimum 3" [7.6cm] wide) while holding materials in one hand!
- Independent ON/OFF switch for each stapling module to use as single or double stapler
- Fully adjustable center distances between staples from 2" to 7-1/4" (5.1 cm to 18.4 cm)
- Quick "pop-out" full track front loading
- 4-1/4" (10.8 cm) reach for versatility; • "Hi-Low" switch adjusts stapling impact
- Dual Capacity and Thick Wire (for shipping bags and clam shell packages) models also available.
- Adjustable backstop set included (usable for headers card wider than 4" (10.2 cm)
- Uses Staplex Type DS 1/4" leg High Speed Staples; "HL" model also uses Staplex Type LL Long Leg Staples; "RD" model uses Staplex Type RLD Thick Wire Long Leg High Speed Staples.
- All metal components, direct-drive solenoid mechanism and modular design
- Designed for commercial/industrial stapling
- Great for business, reprographics and packaging applications
